- Air Arabia Travellers, Please Note** As per the Air Arabia policies, in case of cancellation or rescheduling, you'll be receiving your applicable refund in the form of a credit note (also known as a credit shell), which is issued after deducting the applicable cancellation penalty. This credit note can be used for your future bookings with Air Arabia. Please see, this credit note refund will be issued on a per-passenger basis and can only be used for that specific passenger, in accordance with their respective refund amounts. A credit note is solely issued by Air Arabia and MakeMyTrip is not liable in any regard.
- Custom Combination** This itinerary was created by MMT by combining separate one way tickets and requires a self transfer at the transit point. In case of delays, schedule change, cancellation or disruption in one flight, the customer will not be eligible for refund of the non-impacted flights. Baggage allowance is decided as per the individual airline policy and may differ for each sector. You might be required to collect and check in your baggage again. You must also check the airport terminal for your next flight, as it may be different from the one you landed at. Transit Visa may be required for this booking. Please check the visa rules and policies for your transit points and final destination carefully before booking.
- Passengers travelling to India, please note** Effective October 1 2025, all International travelers to India must complete the Electronic Arrival (E-Arrival) Card online at [Government of India Website](#) This must be done within 72 hours before arrival. For more details, please refer to [this Link](#)
- Please Note** Passengers travelling on a tourist visa or visit visa are not allowed to travel with one-way ticket. They must show a confirmed return ticket else they may not be allowed to board the flight. Passengers must also carry proof of accommodation/hotel reservation and sufficient funds to cover the expenses in the destination country. Passengers must adhere to baggage dimension (length, breadth, width etc.) guidelines of the airline, else they may have to pay additional charges or be even denied boarding. Kindly refer to the airline website for more details. For travellers departing from India

or arriving in India: Fast Track Immigration - Trusted Travellers' Programme (FTI-TTP) has been initiated to speed up the Immigration clearance process for eligible persons from these categories: 1.
